

# IA Capital Forex Institute

## RISK DISCLAIMER

**Effective Date:** October 2025

- Trading in the foreign exchange (Forex) market carries a high level of risk and may not be suitable for all investors. Leveraged trading can result in losses exceeding your initial investment.
- IA Capital Forex Institute provides **education and mentorship only**.
- No trading signals, guarantees, or financial advice are provided.
- Any trades executed by learners are done at their own discretion and risk.
- Market conditions, volatility, and external factors may lead to rapid financial loss.
- You acknowledge that you understand the risks involved and accept full responsibility for your trading decisions.
- IA Capital Forex Institute and its representatives shall not be held liable for any losses, damages, or financial outcomes arising from the use of information shared within the mentorship programme.
